

QC012SN - Who Are You

This episode of Quick Counsel dives into answering the question: “Who are you?” This is a question that everyone should give some thought to...especially in times of change. But, like Alice in Wonderland, so many people don't know the answer to this question.

We usually answer the question with a response about what we do or the role we have, but this does not go much below a superficial veneer. There's a better way to answer this question, and there's a better question to ask. We cover these in this podcast.
